## Dirt Bag Barrier™

**NO WATER NEEDED  
SANDBAG READY**

**COLOURS RED & ORANGE**

H 700 x W 1145 x D 570mm (without sign)  
Weight: 11kg

### FEATURES

Barriers are interlocking to form lengths required.

- ▶ Can be stacked compactly to save on valuable space as they nest into each other.
- ▶ Standard pallet size in length; two stacks will fit on a pallet.
- ▶ Suitable for sandbag or shovels of dirt if further stability is required, eliminating the need for filling or emptying with water.
- ▶ Easily handled by one person, only weighs 11kg.
- ▶ Reflective material may be applied for added visibility.
- ▶ Optional signs available for insertion into the top of the barrier.

**STACKABLE**
